SUMMARY

🌐 [Portfolio Link](#)

Computer Science Engineering graduate with hands-on experience building responsive full-stack web applications using React.js, TypeScript, Python, Django, and REST APIs. Experienced in developing authentication, admin dashboards, CRUD operations, and database-driven applications. Eager to contribute as a Web / Full Stack Developer while continuously expanding technical skills.

INTERNSHIP EXPERIENCE

Jun 2025 – Jul 2025

Python with Django Intern | NexGen Innovator Solutions [Live Demo](#)

[Github Link](#)

- Developed a Student Portfolio Portal using Python, Django, HTML, CSS, and SQLite.
- Implemented secure student login to maintain personal and academic records.
- Built an admin panel for staff to view, edit, and manage student details.
- Digitized student records to reduce paperwork and enable faster information access.

PROJECT EXPERIENCE

SellerRocket – E-Commerce Services & Lead Management Platform [Live Demo](#)

[Github Link](#)

- Developed an e-commerce services platform for businesses looking to establish and grow their online sales.
- Enabled service enquiries for Amazon, Shopify, WordPress, and web development solutions.
- Built an admin dashboard to search, filter, track, and manage customer leads.
- Implemented lead and conversion analytics to simplify business enquiry management.

Service Booking & Appointment System [Live Demo](#)

[Github Link](#)

- Developed a web application for online service booking and appointment management.
- Built responsive user interfaces using React.js and TypeScript.
- Implemented user authentication, appointment scheduling, and booking management.
- Created an admin dashboard to manage services, customers, and appointments.
- Integrated REST APIs for frontend-backend communication.

TECHNICAL SKILLS

- Frontend: HTML5, CSS3, JavaScript (ES6+), React.js, TypeScript, Bootstrap
- Backend: Node.js, Express.js, Django, Spring Boot, REST APIs, Microservices, JPA/Hibernate, .NET
- Database: MySQL, SQLite, PostgreSQL
- Deployment: Vercel, Netlify, Render
- Tools: IntelliJ IDEA, VS Code, Postman, GitHub
- Other Exposure: Figma, Canva, Godaddy, Docker

EDUCATION

Bachelor of Engineering in Computer Science

University College of Engineering Kancheepuram

CGPA : 7.6 / 10

May 2026

CERTIFICATIONS

- Artificial Intelligence Fundamentals – [IBM SkillBuild](#)
- Python with Django Framework - [NexGen Innovator Solutions](#)
- SQL Fundamentals – [WsCube Tech](#)

Issued: Feb 02, 2026

Issued: Aug 21, 2025

Issued: Jan 16, 2025
